**Our Terms**

Throughout this brochure all measurements are given in millimetres. Every effort has been made to ensure the accuracy of all information in this publication, however all measurements should only be used as a guide and final checks made before purchase. We also reserve the right to amend details, prices and specification without notice. Whilst we have endeavoured to maintain accuracy throughout this publication all images are for illustration purposes only and are subject to change. Colour reproduction is as accurate as current printing methods allow. E&OE.
