STEAM ROOM

Steam offers multiple benefits, including the ability to soothe sore muscles and improve flexibility, while also relieving tension from a tiring day. It can aid falling asleep faster, achieving a more restful sleep and waking up feeling revitalized and ready for a new day.

Steam aids in the detoxification and release of impurities by stimulating blood flow throughout the body. It also offers relief from allergies and respiratory problems such as asthma, as well as skin conditions like eczema and acne.

The penetrating warmth of steam moisturizes dry skin, providing hydration. By opening up the pores, the skin becomes more receptive to nutrients, thus enhancing collagen production, leading to healthy smooth skin and reducing the visible signs of aging.

STEAM ROOM STARTER KIT

Our steam room starter kit consists of three essential parts: a steam generator, a digital touch screen control pad and a steam outlet. Our steam generators are compact, making them suitable for bathrooms of any size. They can be conveniently tucked away in small spaces so you can enjoy a luxurious steam room experience without sacrificing space.
